ROLL WITH THE PUNCHES

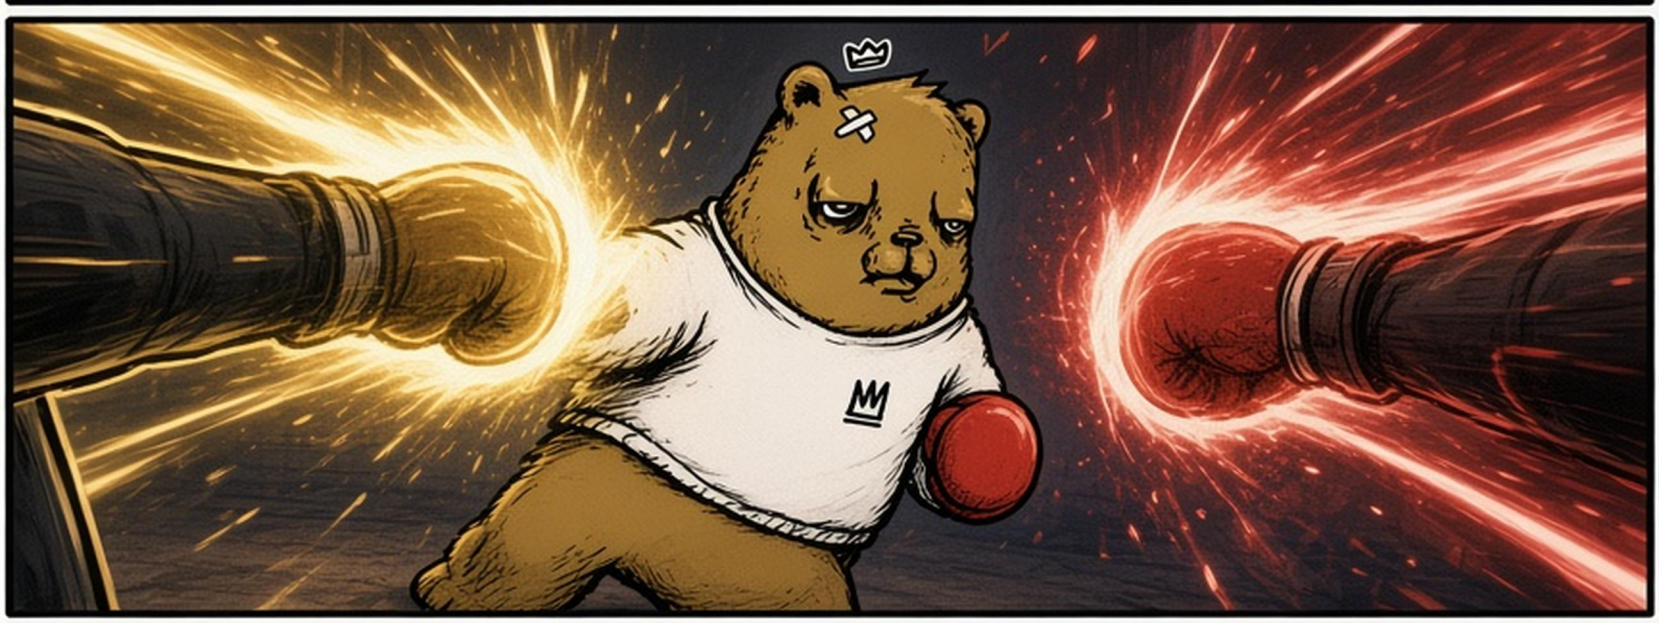

A Bear Champ Riddle Comic

Inspired by @bearchampxrpl

On Chicago walls, the same four words keep getting painted...

RIDDLE

Four words the murals, the community, and the bear himself keep repeating. What is Bear Champ's motto?

Before the token. Before the NFTs. Before Times Square.

RIDDLE

An artist was told he couldn't become a fighter. So he created one. Who stepped off the canvas?

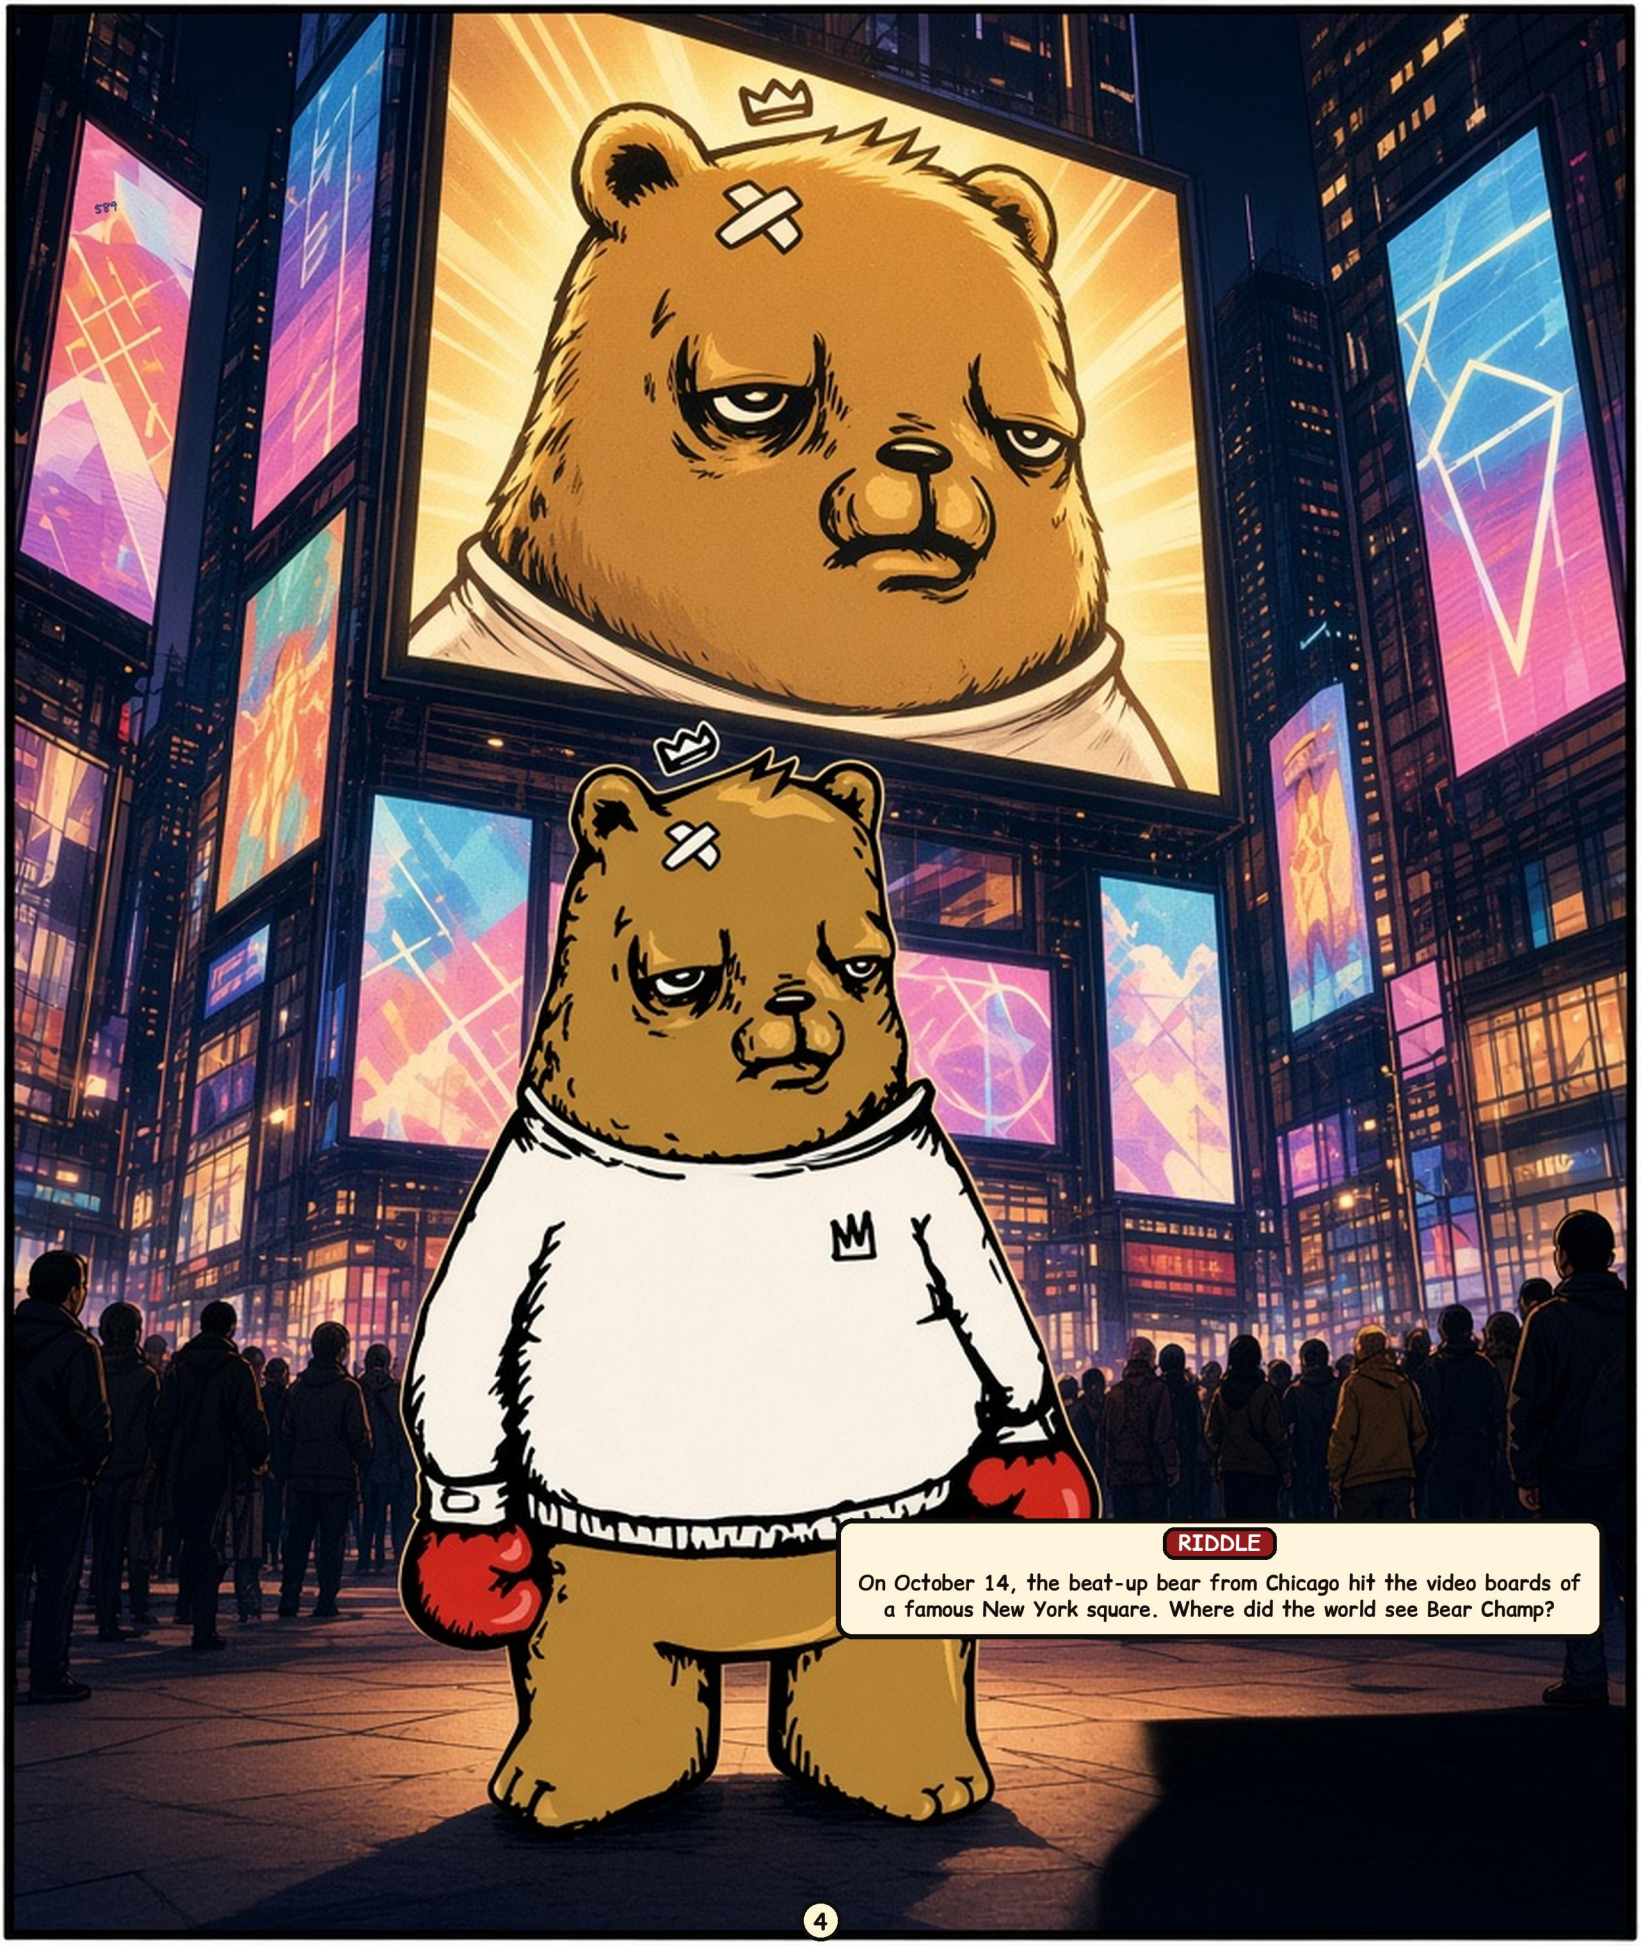

A Chicago artist. A story about never giving up.

RIDDLE

A Chicago artist, a story about never giving up, and a bear who smiles with something shiny. What is Bear Champ wearing in his mouth?

From the streets of Chicago to the world's stage.

RIDDLE

On October 14, the beat-up bear from Chicago hit the video boards of a famous New York square. Where did the world see Bear Champ?

You can buy a token. You can buy an NFT. But you can't buy this.

RIDDLE

There are meme coins and utility coins. What kind of coin does $BCHAMP call itself?

The spotlight was never the finish line.

RIDDLE

The spotlight was never the finish line. Three words Bear Champ leaves you with after every round. What does he say?

ANSWER KEY

1. Roll with the punches. — the motto on the walls, in the community, and in Bear Champ himself.
2. The Bear Champ. — JC Rivera was told he couldn't become a fighter, so he created one.
3. A gold grill. — a Chicago artist, a bear with a gold grill, and a story about never giving up.
4. Times Square. — on October 14, Bear Champ appeared on the video boards, with JC Rivera painting live.
5. The Culture Coin. — "There are meme coins, utility coins, and then there is $BCHAMP… THE CULTURE COIN."
6. Job's not finished. — the spotlight was never the finish line. Tomorrow, another round.

This comic is new fiction inspired by posts from @bearchampxrpl and the public $BCHAMP site, bchampxrpl.com. It is not official canon.

Five secret numbers are hidden in the art. Look closely for 123321, 589, 119, 22, and 13.
